The flourishes for the lowercase alphabet is either placed on the ascender →  or the descender → 

\* a=ascender x=xheight or baseline d=descender \*

Lowercase flourishes to practice :

The ascender flourishing opportunities can be found on :

b d h k l

Now see the movements you can practice to flourish these letters...

For some, one direction feels more comfortable than another...

I personally start at the ascender and form the flourish away from the letter...
